Stoughton Trailers Names Twin State Trailers as Southeast Dealer

STOUGHTON, Wis. (August 5, 2024) — Stoughton Trailers, LLC, a national leader in transportation equipment, is pleased to announce that it has added Twin State Trailers, serving the Carolinas, Virginia, Georgia and Florida, as an authorized dealer of Stoughton® brand trailers, including its dry van and PureBlue® refrigerated trailer models.

With over 35 years in the transportation industry, Twin State Trailers is headquartered in Charlotte, N.C. with an additional location in Greensboro, N.C. as well as one location in Duncan, S.C., which serves both South Carolina and Georgia. Twin State has three locations in Florida to serve customers; Auburndale, Orlando and Tampa.

“Our team is excited to represent Stoughton Trailers in the Southeastern U.S.,” said Chris Vaughn, President at Twin State Trailers. “We are committed to exceeding our customers’ expectations and we feel the Stoughton brand is a great fit for our business.”

Twin State Trailers will offer not only new Stoughton dry van and refrigerated trailers but service, parts and a broad range of financing options, which are available to make each trailer sale simple and easy.

“We are pleased to have Twin State Trailers join our network of trailer sales and service providers,” said Jeremy Sanders, CCO at Stoughton Trailers. “We believe the expertise and extensive experience of their team, their emphasis on customer service as well as their expansive facilities footprint will help Stoughton to grow its market share in this growing region of the U.S.”

Twin State Trailers headquarters is located at 8621 Statesville Road, Charlotte, N.C. To find the Twin State Trailers location nearest you, visit them at twinstatetrailers.com.

The Stoughton Trailers dealer network provides sales, parts and service to trailer customers across the United States, Canada and Mexico.

About Stoughton Trailers

Stoughton Trailers is a top 10 international supplier of semi-truck trailers. The Wisconsin-based, family-owned company designs, manufactures and markets a wide range of dependable semi-truck trailers and intermodal container chassis used for over-the-road trucking, as well as agricultural trailers and other specialty transportation equipment. It provides one-stop build, finance, rental and fleet management solutions through world-class responsiveness and design value. For more information, visit StoughtonTrailers.com.
